Hi Everyone,

I'm looking forward to our talk tomorrow. For folks in Seattle, I've reserved the 20th floor Cedar Conference Room. The phone line is **Non-Responsive**. Let's spend our time framing where we're at, sharing information on follow-up items from the managers' meeting, and reassessing where we are or aren't in agreement.

Here's the agenda:

Where are we? (Jenny)

Topics (All)

- 1) Does Oregon's Forest Practices Act have adequate buffers for aerial application of herbicides on Type N streams on forestland?
 - a. Current state regs
 - b. Other states
- 2) What's the process for determining practices or buffers when herbicides are aerially sprayed on Type N streams on forestland?
 - a. Roles of ODF and ODA
 - b. Notification and enforcement
 - c. Policies
- 3) Why does Oregon need to go above and beyond FIFRA to address buffers for aerial application of herbicides on Type N streams on forestlands?
 - a. **Ex. 5 - Deliberative**
 - b. Condition specific to forest practices and buffers
- 4) What actions should Oregon take to have an approvable or improved program re: buffers for aerial application of herbicides on Type N streams on forestlands?
 - a. Type N protections under FPA, education, outreach, coordination between ODA and ODF, other items listed in issues paper

Hi Everyone, this meeting is for the review team to regroup after the managers' meeting. As we get closer, we'll hone in on the topics to cover. Our goal will be to get the information we need to make a recommendation to management. Let's continue to talk as needed by phone and email. Thanks - Jenny
